

REMARKS

The first sentence of the specification has been amended to claim priority to prior application no. 10/003,640. Claims 8 – 17 have been withdrawn from consideration. Accordingly, a statement deleting some of the previously named inventors is included herewith.

As remaining claims 1 – 7 had been found to be allowable in the parent application, U.S. Serial No. 10/003,640, in view of a terminal disclaimer filed February 10, 2002, it is submitted that the present, identical claims are in condition for allowance and such action is respectfully requested.

Respectfully submitted,

STATEMENT DELETING INVENTORS NAMED IN A PRIOR APPLICATION

Commissioner for Patents

Sir:

The present divisional application is accompanied by a Preliminary Amendment withdrawing claims 8 – 17 from consideration. As only one of the five originally named inventors is the inventor for the remaining claims 1 – 7 the following inventors are hereby deleted:

Dan Åkerfeldt;

Fredrick Preiniz;

Per Egnelöv; and

Torbjörn Mathisen

Any inquiries regarding the present matter may be directed to Applicants' below-signed representative.

Respectfully submitted,

Leigh P. Gregory
